New Product Summary

EPSON
EB-W8D

The EB-W8D is the ultimate tool for easy and exciting multimedia teaching. Its versatility allows teachers to broaden the usage of video and audio contents, and easily share them with the class. Specially designed to meet the needs of the education sector, the EB-W8D provides practical features that virtually eliminates the burden of using IT equipment, so that teachers can focus on what they do best: teaching.

Bright and mobile, with powerful integrated speakers and DVD/DviX unit, the EPSON EB-W8D is the most advanced multimedia projector of its time.

WXGA resolution
The EB-W8D has a native wide XGA resolution for full compatibility with the latest computer and laptop resolutions, improving your display area by up to 30%. This also means that the EB-W8D can display WXGA content without having to crop or resize the image.

Take excitement to any room
It's easy to enjoy the action anywhere you like, even at a friend's house. Simply unplug the power and get moving. The Epson EB-W8D has a built-in handle, and includes a carry case for safe transport if you're going further.

Digital Connectivity
The built in HDMI terminal provides an interface for transmitting high quality images & music through a HDMI connection. Epson's PC Free Operation means you can simply plug in a USB Memory Stock pre-loaded with photos to enjoy a slideshow without a PC

Smart Design & Wide Connectivity

- 3LCD technology for colourful images and high Colour Light Output, 2500 Lumens brightness

- Extended Connectivity with HDMI & USB Display & PC Free Operation

- Low TCO: super affordable projector, 5000 hours E-TORL long-life lamp.*
